

# FISHER HOUSE CHARITY GOLF TOURNAMENT XVI **2024 SPONSORSHIP GUIDE**

**October 10th, 2024**

**Stoneleigh Golf Club Round Hill, VA**

**Registration: 8AM Begins: 9:30AM**

Please join us for our **16th Annual Tyto Athene Charity Golf Tournament to benefit the Fisher House Foundation.**

This will be the 16th year Tyto Athene has held a benefit event for The Fisher House Foundation. The first golf tournament was held in 2010 to raise funds for a local Fisher House to be built at Fort Bragg, North Carolina.

Over the years, Tyto has raised nearly \$500,000 for the Fisher House Foundation. To maximize the funds donated, Tyto covers all of the costs associated with the tournament so that all sponsorships and golf fees are donated directly to the Fisher House. This is your opportunity to be a part of something special, and help make a positive difference in the lives of veterans and their families.

**Please have a look at the sponsorship packages outlined on the next page.**

# FISHER HOUSE CHARITY GOLF TOURNAMENT XVI

### About Fisher House Foundation:

The Fisher House is a private-public partnership supporting members of the Armed Forces, retirees, veterans, and their families. This program recognizes the sacrifices of our military by meeting their needs beyond that normally provided by the Department of Defense and Veterans Affairs. Fisher House Foundation donates "comfort homes," built on the grounds of major military and VA medical centers, enabling family members to be close to a loved one at the most stressful time – during hospitalization for an unexpected illness, disease, or injury. Annually, the Fisher House program serves over 10,000 families and has made nearly 3 million days of lodging available to family members since its inception in 1990. By law, there is no charge for any family to stay at a Fisher House. More information about the Fisher House Foundation may be found at: [www.fisherhouse.org](http://www.fisherhouse.org)

### About Tyto Athene:

At Tyto Athene, we harness the power of technology to provide solutions that shape the future.

With over 60 years of experience providing mission-focused digital transformation, our team of experts connect people with technologies to seamlessly integrate and modernize enterprise-level operations that increase mission resiliency, capability, and flexibility for U.S. Defense, National Security, Intelligence, Space, and Public Safety agencies around the globe. Tyto's deep understanding of the customer's mission brings proven results. Learn more at: [www.gotyto.com](http://www.gotyto.com)
